## THE WINTER COLLECTION

The Winter Collection presents a curated assortment of elevated basics and statement pieces inspired by Parisian allure with rock 'n' roll undertones.

Finely-crafted suiting separates in rich velvet and corduroy are combined with delicate laces and silk silhouettes; striking a balance between the masculine and the feminine.

A contrasting yet harmonious palette grounded in solid black, slate grey, and warm camel is illuminated by sparks of silver serving as a subtle nod to the City of Light.

## NOVELTY FABRICATIONS

Balancing feminine ensembles are statement pieces in rich, multidimensional fabrications with unexpected texture.

The Diana Blazer receives a seasonal refresh in a multicolor brushed tweed, while the debut Corey Jacket exudes a casual elegance constructed from an abstract metallic plaid fabrication.

Coordinated looks provide an everyday ease with menswear-inspired suiting in grey velvet and laidback utilitarian separates in black corduroy.

## LACE

The Winter Collection reintroduces delicate lace to the everyday ANINE BING uniform, flaunting underpinnings beneath sheer silhouettes and minimalist basics.

The assortment features carryover designs in elevated variations including the Via Bodysuit made from a close-fitting stretch lace and the Maddy Bra crafted from a fine floral Chantilly lace.

The Amelie Camisole, Dress and Skirt, made from a lustrous double-faced silk charmeuse blend with translucent lace paneling, are versatile wardrobe staples that transcend seasons and add a feminine touch to any look.

## EXAGGERATED PROPORTIONS

Timeless wardrobe building blocks reach new heights with exaggerated proportions and dramatic accents.

Seasonless essentials offer a new perspective with ultra-wide leg silhouettes and extended sleeve cuffs, while a sharp pointed toe completes a selection of new-season footwear.

Capturing the hero moment of the season is the iconic Kate Tote, constructed from crinkled 100% Nappa leather featuring an oversized, carryall construction.

## CASHMERE BLENDS

Wearable wardrobe basics elevated in exceptional cashmere and wool fabrications create a timeless foundation for winter.

Oversized outerwear with ground-breaking hems and lush investment knits feature compelling silhouettes to be worn for years to come.

Luxury meets utility in Classics Collection staples with new-season transformations including the Dylan Maxi Coat and the Quinn Coat, constructed from our signature wool-cashmere blend in versatile neutral shades.
